

Caron Peace

Property Administrator | Collections Specialist

B.S. in Communication Studies from The University of Texas at Austin, 2011

I began my career as a leasing consultant for The Medve Group at The Arts at South Austin, a multifamily apartment community in Austin, TX. I eagerly wanted more responsibility and was promoted to Assistant Manager within my first year in the industry. After 3 years with the apartments I was transitioned to VIMA Décor, a sister company of the Medve Group who specialized in wholesale décor and renovations for the apartment industry. I assisted the team as the office manager and worked closely with the sales team coordinating marketing and sales efforts.

In 2015, I ventured into Commercial Real Estate with World Class Real Estate in downtown Austin. I led collections efforts as an Accounts Receivable Specialist and was promoted to Property Administrator within 6 months. In early 2017, family matters brought me to San Antonio. I am excited to grow my passion for commercial real estate under great mentorship and leadership with the Santikos Real Estate team.

Outside of work, I am a proud fur mom of two dogs and three cats!
